

The heatmap displays a 15x15 matrix. The color scale is as follows:

- Dark Red: High values (approx. 0.8 to 1.0)
- Light Beige: Intermediate values (approx. 0.4 to 0.6)
- Dark Blue: Low values (approx. 0.2 to 0.4)

The matrix exhibits a strong diagonal pattern of high values (red) and a block-like structure of low values (blue) in the center.

Anger
V=-0.80
